

Let your light shine ...

At St. Matthew's we are a **TEAM**,
we **SHINE** and we like to have **FUN**.

To do this we follow 3 simple rules ...

SAFE	Keep yourself and others safe.
READY	Be ready to learn, ready to go and ready to listen!
KIND	To all around you. Humans, animals and property

We know that behaviour is a form of communication and we work together as a team to understand our emotions and get down to the root of our behaviour

Zones of regulation

Our response to behaviour will **ALWAYS** be appropriate and consistent
