

St Matthew's C of E Primary School Curriculum Plan – Year 2

Year 2	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
RE	RE God (b) Theme: <i>What do some stories in the Bible teach about God?</i>	RE Incarnation (b) Theme: Christmas <i>What does the visit of the magi tell Christians about Jesus?</i>	RE Kingdom of God Theme: Jesus' Teaching <i>Why did Jesus teach his disciples to pray the Lord's Prayer; 'Your Kingdom come?'</i>	RE Salvation (b) Theme: Easter <i>What do Christians believe about salvation (being rescued/found)?</i>	RE God the Holy Spirit (b) Theme: Trinity <i>What do Christian symbols teach about the Holy Spirit?</i>	World Religions – Judaism Theme: <i>Jewish life and practise</i> <i>How do Jews show love for God in everyday life?</i> <i>Why is the escape from Egypt important to Jewish people?</i>
Focus Text	Wild Retell the story with added detail	The Owl and the Pussycat Write a story version of the poem	Traction Man Write a new adventure for Traction Man as a comic strip	Man on the Moon Story including aliens	Lila and the Secret of Rain Retell the story	Little Evie in the Woods Story with a new character
Other English genres to be taught	Diary entries: See humanities planning Information text: Linked to Wild (Bears)	Postcards: Write postcards home *see humanities Letter writing: Write a letter in role as the Owl or the Pussycat about the new land	Diary Entry: Florence Nightingale Poetry: Rhyming poems (in the style of The Lady with The Lamp).	Instructions: How to fly a rocket Shape Poetry: Space poetry – stars/rockets/moon	Non-chronological report: All about Kenya Information texts: How to save water	Tradition Tales: Red Riding Hood/Hansel & Gretel – write a different version of traditional tale. Non-chronological report: Habitats
Maths	Place Value, Addition of 2-digit numbers	Subtraction of 2 digit numbers, multiplication and division	Length, Weight, Fractions	Fractions, Money, Shape	Shape, Temperature, Volume	Time, Picture graphs
Science	What do I need to survive? Animals Including Humans Notice that animals, including humans, have offspring which grow into adults Find out about and describe the basic needs of animals, including humans, for survival (water, food and air) Describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.		What material would be best for a diving suit? Materials Identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for different uses Compare how things move on different surfaces. Find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching		How can you tell if something is alive? Living Things Explore and compare the differences between things that are living, dead, and things that have never been alive Describe how animals obtain their food from plants and other animals, using the idea of a simple food chain, and identify and name different sources of food	
					What's living under a stone? Habitats Identify and name a variety of plants and animals in their habitats, including microhabitats Identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other	

'Let Your Light Shine'

St Matthew's C of E Primary School Curriculum Plan – Year 2

	Plants – to be taught across the year Observe and describe how seeds and bulbs grow into mature plants Find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.			Working Scientifically <ul style="list-style-type: none"> Asking simple questions and recognising that they can be answered in different ways Observing closely, using simple equipment Performing simple tests Identifying and classifying Using their observations and ideas to suggest answers to questions Gathering and recording data to help in answering questions. 		
History	London's Burning! How did the Great Fire of London effect the city? - events beyond living memory that are significant nationally or globally (GFoL) - Chronologically order different key events on a timeline		Help is at hand! How did Florence Nightingale make a difference? -the lives of significant individuals in the past who have contributed to national and international achievements. Some should be used to compare aspects of life in different periods (Florence Nightingale and links to Mary Seacole)	I want to be an astronaut! What is the job of an astronaut? -changes within living memory. Where appropriate, these should be used to reveal aspects of change in national life -the lives of significant individuals in the past who have contributed to national and international achievements. Some should be used to compare aspects of life in different periods (Neil Armstrong)		
	Subject content Key stage 1 Pupils should develop an awareness of the past, using common words and phrases relating to the passing of time. They should know where the people and events they study fit within a chronological framework and identify similarities and differences between ways of life in different periods. They should use a wide vocabulary of everyday historical terms. They should ask and answer questions, choosing and using parts of stories and other sources to show that they know and understand key features of events. They should understand some of the ways in which we find out about the past and identify different ways in which it is represented. In planning to ensure the progression described above through teaching about the people, events and changes outlined below, teachers are often introducing pupils to historical periods that they will study more fully at key stages 2 and 3.					
Geography	History Link – I can use aerial photographs to recognise landmarks and human and physical features and construct basic symbols in a key	Marvellous Mapping What are the main countries of the UK and how do they differ? <u>Location Knowledge</u> -name and locate the world's 7 continents and 5 oceans -name, locate and identify characteristics of the 4 countries and capital cities of the United Kingdom and its surrounding seas (Irish Sea, English Channel, North Sea, North Atlantic Ocean)	Geography Link - I can understand and compare the impact of changes on a significant locality from the past to today		How the world works How is Wamba different to Stockport? <u>Place Knowledge</u> -understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country <u>Human and Physical Geography</u> -identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles -use basic geographical vocabulary to refer to key physical features, including: forest, hill, mountain,	I do like to be beside the seaside How do landmarks differ between a town and the coast? <u>Geographical Fieldwork and Skills</u> -use simple compass directions (North, South, East and West) and locational and directional language to describe the location of features and routes on a map -use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment. -use basic geographical vocabulary to refer to key physical features, including: beach, cliff, coast, forest, hill, sea,

					river, soil, valley, vegetation, season and weather	ocean, river, soil, valley, vegetation, season and weather
<p align="center">Subject content</p> <p align="center">Key stage 1 Pupils should develop knowledge about the world, the United Kingdom and their locality. They should understand basic subject-specific vocabulary relating to human and physical geography and begin to use geographical skills, including first-hand observation, to enhance their locational awareness.</p>						
PE	<p>Balls Skills</p> <ul style="list-style-type: none"> pupils will develop their fundamental ball skills such as throwing and catching, rolling, hitting a target, dribbling with both hands and feet and kicking a ball. Pupils will have the opportunity to work independently, in pairs and small groups. 	<p>Ball Skills</p> <ul style="list-style-type: none"> pupils will develop their fundamental ball skills such as throwing and catching, rolling, hitting a target, dribbling with both hands and feet and kicking a ball. Pupils will have the opportunity to work independently, in pairs and small groups. <p>Target Games</p> <ul style="list-style-type: none"> Pupils develop their understanding of the principles of target games. Pupils learn how to score points and play to the rules. They develop the skills of throwing, rolling, kicking and striking to targets. They begin to self-manage their own games selecting and applying the skills they have learnt appropriate to the situation. 	<p>Dance & Gymnastics</p> <ul style="list-style-type: none"> Pupils will explore space and how their body can move to express and idea, mood, character or feeling. They will expand their knowledge of travelling actions and use them in relation to a stimulus. They will build on their understanding of dynamics and expression. They will use counts of 8 consistently to keep in time with the music and a partner. Pupils will also explore pathways, levels, shapes, directions, speeds and timing. They will be given the opportunity to work independently and with others to perform and provide feedback beginning to use key terminology. 	<p>Fitness</p> <ul style="list-style-type: none"> Pupils will take part in a range of fitness activities to develop components of fitness. Pupils will begin to explore and develop agility, balance, co-ordination, speed and stamina. Pupils will be given the opportunity to work independently and with others. Pupils will develop perseverance and show determination to work for longer periods of time. 	<p>Team Building</p> <ul style="list-style-type: none"> Pupils develop their communication and problem-solving skills. They work individually, in pairs and in small groups. Throughout, there is an emphasis on teamwork. They learn to discuss, plan and reflect on ideas and strategies. They lead a partner whilst considering safety. Pupils have the opportunity to show honesty and fair play. 	<p>Team Building</p> <ul style="list-style-type: none"> Pupils develop their communication and problem-solving skills.
